

This section contains two product pages for Urbanista headphones. The left page is for the 'Urbanista - Barcelona' model, featuring a large image of the black over-ear headphones, a smaller image of the product in its carrying case, and a frequency response graph. The right page is for the 'Urbanista - Copenhagen' model, showing a white over-ear model with a carrying case and its own frequency response graph. Both pages include the Urbanista logo, technical specifications, and CE certification marks.

This section contains three product pages for Urbanista headphones. The left page is for the 'Urbanista - Paris' model, showing a pair of black in-ear headphones with a carrying case and a frequency response graph. The middle page is for the 'Urbanista - Los Angeles' model, featuring a pair of black over-ear headphones with a carrying case and a frequency response graph. The right page is for the 'Urbanista - London' model, showing a pair of black in-ear headphones with a carrying case and a frequency response graph. Each page includes the Urbanista logo, technical specifications, and CE certification marks.
